Black and British

Here is a résumé of section 1 of the article. Fill in the blanks, using information from that section.

Most of the words that you need can be found in the article. In some cases, the first letter of a word is given, to help you.

In the ....., the British authorities invited .... the colonies to come .... Britain and work in jobs for which there were not ..... workers; ..... took the opportunity and came.

At first young men came ....., many of them ..... the West .....; and before long they brought their families over ..... . Within ten years, there were large Afro-Caribbean ..... in several British cities.

Although these new ..... lived in the poorer parts of the cities, they had paid jobs, and they often enjoyed conditions that were better .... they had known in the West Indies.

U..... about 1967, there was l..... racial tension, because there was ..... for everyone, and the new immigrants did the jobs that ..... workers did not want to do. But then, following the success of the ..... Rights movement in the USA, Britain's Blacks began demanding b..... conditions.

Some right-..... politicians became alarmed at the number of Blacks in Britain, and said that they s..... be sent ..... to where they had come from; at the same time, there were the first cases of racial tension, as the problem of ..... began to spread. Some extreme right ..... parties appeared, e..... xenophobia and racism; but these parties, such as the National Front and the British National Party, were never very s.....

Today Britain is still generally a ..... country, even if there are a ..... racists here and there.
