

Part 2 (approximately 4 minutes)

Buildings 5

Interlocutor Now, in this part of the test you're going to do something together. Here are some pictures of buildings.

*Place picture sheet 5 in front of the candidates.
Select two of the pictures for the candidates to look at: B & C.*

First I'd like you to look at pictures B and C and talk together about their different purposes. You have about a minute for this, so don't worry if I interrupt you.

Interlocutor Thank you. Now look at all the pictures.

I'd like you to imagine that you are writing a paper about buildings in Europe.

Talk together about how much these buildings might cost to build and maintain, and decide whether those costs can be justified.

You have about three minutes to talk about this.
