

## Listening

*January 6th should have been a day of ceremony when Congress met in joint session, then opened and counted electoral votes for president and vice president.*

*Instead, it will be remembered as the day an angry mob, stirred up and aimed down Pennsylvania Avenue by an election-losing president, smashed its way into the Capitol, leaving five dead, the building ransacked, and American democracy under siege.*

1. What two disasters are mentioned at the start of the interview?
2. What does Nancy Pelosi say must be done?
3. Could the 25th Amendment still be used?
4. What was happening when the mob invaded the Capitol?
5. What happened as they entered the building?
6. Why was the event so serious?
7. What happened in Nancy Pelosi's office?
8. What was stolen from the Speaker's private office?
9. What is now clear about the rioters' intentions?
10. What happened then?
11. After the rioters left what did Congress do?
12. How did Vice-President Pence react?
13. What must happen now, according to N Pelosi?
14. What did N Pelosi do to avoid potential danger?
