1 Nature and People

Interlocutor **Now, in this part of the test you're going to do something together. Here are some pictures of nature, some with people.**

*Place picture sheet in front of the candidates.
Select two of the pictures for the candidates to look at: B & C.*

First, I'd like you to look at pictures B and C and talk together about how you think people affect the natural environment..

You have about a minute for this, so don't worry if I interrupt you.

You have about three minutes to talk about this. (4 minutes for groups of three)
