French

Hi! I'm Marie and I'm from France. My country has a _____ of approximately 66.9 million people. We speak _____ in France.

The _____ is Paris, which is in the north of the country. It's got lots of famous _____, such as the Eiffel Tower and the Louvre, which is an art museum.

There is lots of great food in France. There is no _____ – we have too many good dishes! For example, you can try snails cooked in their shells with butter. Yum!

The _____ in France is varied. France has beautiful beaches and forests but it also has lots of mountains. The highest point is Mont Blanc, which is a mountain over 4,807 metres high in a _____ called the Alps. People like to go skiing there! There is also a mountain range called the Pyrenees. Did you know that there are _____ in the Pyrenees?

My favourite _____ is called La Fête des Rois, which is on the first Sunday of January. On this day we have a special _____ with a charm hidden inside. If you get the piece with the charm inside, you are king for a day!

What can you tell me about your country?

Marie
