Which do you know how to do? Where did you learn them?

Survival skills

<https://www.youtube.com/watch?v=-VG-WYPtpCQ>

You're going to watch a video about survival skills. As you watch, answer the questions below:

1. What different benefits does lighting a fire bring you?
2. What did Sam do when he encountered dingoes?
3. What does the fire triangle consist of?
4. What did Mauro Prospero do to keep warm?
5. What are the priorities of survival?
6. What can you do to increase your chances of rescue?
7. As a rule, should you wait to be rescued or try to get out yourself?
8. What's a vantage point? Why is it a good idea to get one?
