

Role Cards

Local Mayor

You are the mayor and you support the plan. You are the person responsible for deciding whether this project will happen.

Council Member AGAINST

You are a local council member who does NOT support the public housing project. You are well-known for often adopting the opposing position.

Climate Activist

You have been inspired by Greta Thunberg and you are protesting and campaigning to help the climate crisis.

Climate Crisis Sceptic

You do not believe that the climate crisis is as serious as scientists suggest and you doubt whether humans are responsible.

You are on the waiting list for a council house and have been waiting for two years for a house to become available for you and your family.

Son/Daughter of an Elderly Resident

You are concerned about the limited spaces in public care homes as you know that you do not have the money to pay for private care for your mother/father if necessary.

Head of the local Tree Planting Committee

You are responsible for Lisbon's tree planting project which plans to make the city greener to try to combat the climate crisis.

Property Developer

You own a property development company and want to use the land to build private houses to generate money.
