EXTEND YOUR ANSWERS WITH REASONS!

- What are the last three places you travelled to?
- Where did you stay – hotel / camp site / Airbnb etc.?
- What comforts do you like?
- How much luggage did you take with you?
- Do you pack everything you think you'll need or just the essentials and make do with what you take?
- Do you think about buying what you need at the destination instead of packing?
- Apart from clothes, what are your “essential items”?
