

The Brazilian-born artist, Al O, is famous for his reverse graffiti.

Reverse Graffiti refers to a style that involves cleaning parts of a dirt-covered wall or surface.

Orion cleaned parts of a tunnel to create 3,500 scary-looking images of skulls / 3,500 images of scary-looking skulls.

This street art was a pollution-protest message to drivers.

The black parts of the tunnel represented our dirt-filled lungs. [full adj; fill verb; → past participle (passive) filled

The 28-year-old artist couldn't be arrested because he was cleaning the tunnel.

John is a three-year-old (boy).

John is three years old.
