

# FOOD FOR THE FUTURE

Look at the graph with your partner and identify 5 key pieces of information.

- 1.
- 2.
- 3.
- 4.
- 5.

## 10. WRITE AN ARTICLE

Your teacher will give you some information about meat-free diets in the United States. Use the information to write an article about vegetarianism and veganism. It should describe the situation, not make an argument.

Your article should include:

- at least three cohesive devices for reformulating and/or highlighting.

- \* In 1971, 1 per cent of US citizens described themselves as vegetarian.
- \* In 2008, 3.2 per cent of US citizens described themselves as vegetarian.
- \* US vegetarian food sales (e.g. soy milk, meat replacements) doubled between 1998 and 2003, reaching \$1.6 billion in 2003.
- \* Vegetarian and vegan restaurants are now commonplace in US cities.
- \* US government estimates 1 in 200 American children do not eat meat (2009).

## Secondary Plus Task

# FOOD FOR THE FUTURE

---

## Success criteria

To do well in this task you must:

- ✓ Refer to the graph and the notes to gather your data.
- ✓ Write an article that outlines the situation impartially without bias or your opinion.
- ✓ Give your article a title.
- ✓ Divide the article using headings.
- ✓ Write 150 words (minimum).
- ✓ Use at least three cohesive devices for reformulating and/or highlighting.
- ✓ Use clear and accurate English to express the information.
- ✓ Proofread your work.
