

READ FOR MORE DETAIL

Discuss the questions, and give reasons for your answers, using examples from the text.

1. Read the first paragraph. How do these lines set the tone and mood of the extract?
2. What kind of place is described? Is it described in pleasant or unpleasant terms?
3. How is the Director described physically? What might the writer be trying to show through this description about the society in which he lives?
4. What's the attitude of the students?
5. Why does the Hatchery exist? What is its role?
6. What kind of society is being described?
