Assessment 1	Assessment 2	Student Comments
Module Jump for Joy	Module Ways of seeing	
Project Create a questionnaire, conduct surveys and present the results	Project Present ideas for a creative project and write a proposal	
Assessment can-do I can give a clear, well-structured presentation with highlighting of significant points and can answer questions about content	Assessment can-do I can write papers on complex topics that develop an argument systematically by highlighting the main issues and supporting points with relevant examples and details	
Level of Achievement Meeting	Level of Achievement Approaching	
Teacher Comments presentation: well you: you presented some interesting comparisons which made the presentation a little more relevant and also used some of the phrases we studied in class for speaking about the data. Well done	Teacher Comments You have made great use of the language we studied in class for organising your ideas in your essay. You are also using some more complex expressions and using more sophisticated language accurately.
